

Summer Camp
July 19-23
2012

What is Summer Camp?

This year we're blowing the lid off!!! Experience the camp life of 'Look-Up', which is cooler than ice, and then to top it all off we're going to a Braves game!! That's right folks, see the **Atlanta Braves** play the San Francisco Giants on July 19th.

These annual camp experiences are some of the highlight times for us annually in youth ministry. Students experience so much during the camp that it is really hard to explain. Most of the time students walk away with a great view and appreciation for who God is, but also a non-tangible 'glue' with the rest of the youth ministry.

Look-up provides a full staff to assist our kids in their daily experience at camp. Look-up's program is second to none with regard to Biblical teaching, worship and relationship ministry. Their campus is surrounded by beautiful mountains, a private lake, brand new basketball courts, and plenty of wildlife. The camp is only a two hour trip from Rogersville which makes it practically in our back door.

Join 250+ other middle school students in July for the "Look-up" experience. Registration is open now, so plan your summer accordingly and get that registration form in today.

We'll See you at LOOK-UP!!!
